Keep me around at you wedding to make sure you look your best for as long as you choose. I'll do touch ups for photos, when you can't help but shed a tear or when your make fades due to the heat of the day. Before I leave, I'll do one last makeup/hair check and you will be ready to party the night away.

The experience

From start to finish

BOOKING

A customized proposal will be emailed to you upon gathering wedding details from the initial inquiry. Once that is agreed upon, a contract is signed and 50% deposit is paid to secure your wedding date. The number of services must be finalized upon booking as the timeline and additional artist(s) will rely on this information.

BRIDAL GUIDE

After your date is locked in, you will be emailed The Bridal Guide which provides EVERYTHING you will need or may have questions about regarding your makeup, skincare, and bridal tips/hacks.

BRIDAL PREVIEW

2 months before your wedding day, I will reach out to schedule your bridal preview. This will not only be a time where we get to know each other in a relaxed setting, but also lets you visualize what your makeup will look like on the big day. I will send a follow up email 1-2 days after the preview to go over any adjustments that you would like to make.

TIMELINE CREATION

A couple of weeks after the bridal preview and or timing solidification, a customized timeline will be emailed to you. It will include all location details, arrival/setup time, and time slots with assigned names.

WEDDING WEEK

It's wedding week! Everything is prepped and ready for your big day. An invoice for the remaining balance of all services will be emailed to you. Don't hesitate to contact me with any questions during any point :)
